For outbound calls, the user may be charged airtime for incomplete and/or busy-no answer calls. Airtime minutes will be deducted for use of other services such as text messaging and accessing the web and downloading content to your Access Wireless phone depending on the rate plan option chosen. No credit or refund is given for dropped calls.

Calls are billed in one-minute increments, with a minimum time per call of one minute. Call times are rounded up to the nearest whole minute. Calls are limited to two hours: if a user is on a call for longer than two hours, the call will automatically terminate.

A customer's handset does not have to be "on" to receive its free monthly allotment of minutes.

A customer may check the balance of their account at any time free of charge at www.iwirelesshome.com or from their mobile phone.

3.3 Additional Airtime

A customer can add airtime using their mobile phone interface, by calling customer service, or by purchasing airtime cards at an authorized distributor, including the Kroger family of stores such as Kroger, Ralphs, Dillons, Fred Meyer, Smith's, King Soopers, City Market, Fry's, Baker's, Owen's, JayC, Hilander, Gerbes, Scott's & Pay Less.

Additional purchased minutes, texts or data will be used after the monthly Lifeline credit has been exhausted. Any unused minutes, texts or data will last for 30 days from the date that the funds were applied to the account.
